

# DENVER ELLIPSE E-RIBBON FIRE™

The decoflame® Denver Ellipse e-Ribbon Fire™ is part of the made to measure range of decoflame® bioethanol fires.

Combining the elegance of the decoflame® Ellipse™ with the functionality and cutting-edge technology of Denver e-Ribbon Fire™, this new model comes in two standard dimensions and is available in various finishes.

The Denver Ellipse e-Ribbon Fire™ with CEVB Technology (Controlled Ethanol Vapour Burning) comes with a radio-frequency remote control which allows an adjustment of the flame intensity on six levels. You can also operate the fire via Bluetooth, on your iPhone/iPad/ iPod or Android device, via our decoflame® App.

The Bluetooth control comes as standard on the Denver Ellipse e-Ribbon Fire™.

Denver Ellipse™ is a versatile and luxurious fireplace that offers unlimited decoration possibilities. Featuring two glass screens this innovative model can be placed on TV furniture, dining tables, and countertops or used as a stand-alone piece of furniture.
