A barbecue equipped with the exclusive SUNDAY® DUO system for cooking with gas and with charcoal. The structure of the product comes in natural colours and is made of BIANCO CARRARA granulated marble, while the base is made of grey reconstituted stone. It is equipped as standard with a grill with two burners with piezoelectric ignition. It comes with a stainless steel biological grille with comfort handles and an enamelled brazier for dual function charcoal support and fat collection. It is easy to assemble with SUNDAY® BETONFAST glue that can be purchased separately among the wide range of accessories dedicated to the SUNDAY® ONE line.
